Wednesday Social - £100 Play Your Cards Right is Back!

It's that time of year again - thank goodness!

The lighter nights are returning, hopefully the wet weather is behind us so now its time for all members to enjoy Wednesday Funday's starting from **Wednesday 3rd April**.

Our emphasis is to resurrect Wednesday's into a fun golfing social day so please mark it in your diaries as a "date".

Whether it's the golf, the darts, the skittles, the snooker, the food or the chance to win £100 with our "Play your cards right".

The 9 hole golf competition fee of £3.50 gives you entry into a draw each Wednesday evening for the big money opportunity "Play your cards right", the well loved higher or lower vintage game which starts as the 9 hole competition comes to a close at the end of the evening. You must be there at the end of the evening to have the chance to be in the draw for the £100.

Along with the Golf, we will set up the alternative games of darts, snooker, skittles each week so they can be played throughout the day with a chance to win £20 each Wednesday. Anybody including friends and family can take part in these games and win the money.

Each Wednesday a special pub food menu has been created at an exceptional price of £8.00.

We will have a very relaxed setting so bring your family and friends and a great Wednesday day & evening awaits you all.
